### Intrepid Metals Appoints Mr. Matthew Lennox-King to Board of Directors

October 10, 2024

(TSXV:INTR) (OTCQB:IMTCF)

**VANCOUVER, BRITISH COLUMBIA, Intrepid Metals Corp. (TSXV:INTR) (OTCQB:IMTCF)** (“Intrepid” or the “Company”) is pleased to announce that Mr. Matthew Lennox-King has been appointed to the Board of Directors of Intrepid, effective October 9, 2024.

“We are excited to welcome Matt to our team, bringing his wealth of experience to our board,” said Mark Morabito, Chairman of Intrepid. “His technical and leadership background from Contact Gold, Pilot Gold and Fronteer Gold will be a tremendous asset as we advance our projects in Arizona.”

“We are very fortunate to have Matt join our team, as we push forward with our dynamic portfolio of Arizona-based projects,” stated Ken Engquist, CEO of Intrepid. “Matt’s technical expertise and corporate leadership experience will be instrumental to our continued growth, and I’m looking forward to working with him again.”

“I am genuinely impressed by the team’s vision and dedication to enhancing their Arizona projects, and I look forward to leveraging my experience to support their ongoing success,” said Matt Lennox-King, Director of Intrepid, “The project portfolio assembled by Intrepid is impressive, with high copper grades, shallow mineralization, and tremendous exploration potential in a top-tier mining jurisdiction.”

Mr. Lennox-King brings over 25 years of mineral exploration experience to the Company, both as a seasoned geologist and a company executive. He co-founded Contact Gold, a TSX-V listed gold company focused on developing oxide gold resources in Nevada, where he served as President, CEO, and Director from its inception in 2017 until its acquisition by Orla Mining in April 2024.

Prior to founding Contact Gold, Mr. Lennox-King served as President and CEO of Pilot Gold Inc., a TSX listed exploration and development company, active in the Western United States and Turkey. Prior to his role at Pilot Gold, he was a Senior Geologist at predecessor company Fronteer Gold Inc. where he played a key role in identifying high-potential properties and leading multimillion-dollar exploration programs that significantly expanded Fronteer Gold’s deposits.

Mr. Lennox-King brings comprehensive expertise in mineral exploration, finance, corporate governance, mergers and acquisitions, and executive leadership to his role on the Board of Directors. He holds a B.Sc. in Geological Sciences from the University of British Columbia and was honoured as one of Business in Vancouver’s Top 40 Under 40 in 2014.

Mr. Lennox-King was granted incentive stock options to purchase 200,000 common shares of Intrepid at an exercise price equal to \$0.38 per share. The options have a 5-year term, expiring October 9, 2029 and vest in equal quarterly instalments over a 12 month period.

#### **About Intrepid Metals Corp.**

Intrepid Metals Corp. is a Canadian company focused on exploring for high-grade essential metals such as copper, silver, and zinc mineral projects in proximity to established mining jurisdictions in southeastern Arizona, USA. The Company has acquired or has agreements to acquire several drill ready projects,

including the Corral Copper Project (a district scale advanced exploration and development opportunity with significant shallow historical drill results), the Tombstone South Project (within the historical Tombstone mining district with geological similarities to the Taylor Deposit, which was purchased for \$1.3B in 2018<sup>1</sup>, though mineralization at the Taylor Deposit is not necessarily indicative of the mineral potential at the Tombstone South Project) both of which are located in Cochise County, Arizona and the Mesa Well Project (located in the Laramide Copper Porphyry Belt in Arizona). Intrepid has assembled an exceptional team with considerable experience with exploration, developing, and permitting new projects within North America. Intrepid is traded on the TSX Venture Exchange (TSXV) under the symbol "INTR" and on the OTCQB Venture Market under the symbol "IMTCF".
