Vancouver, British Columbia--(Newsfile Corp. - April 22, 2022) - **Intrepid Metals Corp. (TSXV: TRAD) (formerly Voleo Trading Systems Inc.) ("the Company" or "Intrepid")** is pleased to announce that it has closed a private placement offering of units for gross proceeds of \$3,070,500 (the "**Offering**"). The Company increased the offering size from the prior maximum of \$3 million. The closing of the Offering is the final material condition for the completion of its Change of Business transaction (the "**Transaction**"). The Company can now apply for final approval from the TSX Venture Exchange (the "**Exchange**") to resume trading under its new trading symbol INTR.V. In addition, in preparation for the closing of the Transaction, the Company has changed its name from Voleo Trading Systems Inc. to Intrepid Metals Corp. Click [here](#) for more details about the Transaction.

The Offering consisted of 15,352,500 units issued at \$0.20 per unit (each a "**Unit**") for aggregate gross proceeds of \$3,070,500. Each Unit consists of one common share (each a "**Share**") and one half of one warrant (each whole warrant, a "**Warrant**"). Each Warrant entitles the holder thereof to purchase an additional Share for \$0.35 for a period of 24 months after closing. The Units are subject to a statutory four month hold period that expires on August 22, 2022.

The Company intends to use the net proceeds of the Offering for the purposes set out in its Filing Statement dated June 30, 2021 which is filed on SEDAR at [www.sedar.com](http://www.sedar.com). In connection with the Offering the Company paid finder's fees of \$63,000 in cash and issued 315,000 non-transferrable finder's warrants. Each finder's warrant is exercisable for a share at an exercise price of \$0.20 for a period of 24 months after closing.

To demonstrate continued support of the Company, certain directors, officers and insiders of the Company and their affiliates participated in the Offering and acquired 1,012,500 Units for proceeds of \$202,500. Such participation is considered a related party transaction within the meaning of Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("MI 61-101"). The related party transaction will be exempt from minority approval, information circular and formal valuation requirements pursuant to the exemptions contained in Sections 5.5(a) and 5.7(1)(a) of MI 61-101, as neither the fair market value of the gross securities to be issued under the Offering nor the consideration to be paid by the insiders will exceed 25% of the Company's market capitalization. The Company did not file a material change report related to this financing more than 21 days before the expected closing of the Offering as required by MI 61-101 since the details of the participation by the related parties of the Company were not settled until shortly prior to the closing of the Offering and the Company wished to close on an expedited basis for sound business reasons. The Units that will be acquired by the related parties have been acquired pursuant to an exemption from the prospectus requirement in section 2.3 of National Instrument 45-106.
